As we mentioned at the beginning of the school year, the homework will increase as the year goes on. Homework sheets will start coming home on Mondays. They are due Friday but can be returned sooner. There will be a Homework Chart inside your child's folder. They will get credit on their chart for each homework paper they return. This weekly homework is part of their homework grade on their report card. Please help your child review the skills on the homework papers.  
**THANK YOU!**
